Notable features:

Scheduled for demolition to make space for recreation grounds. This terrace is not notable but it supplies a pleasing scale which relates to the facade opposite it on Saratoga Street. The store front at 1119 is nice. Numbers 1115/1117 have been remodelled and formstoned as a church.

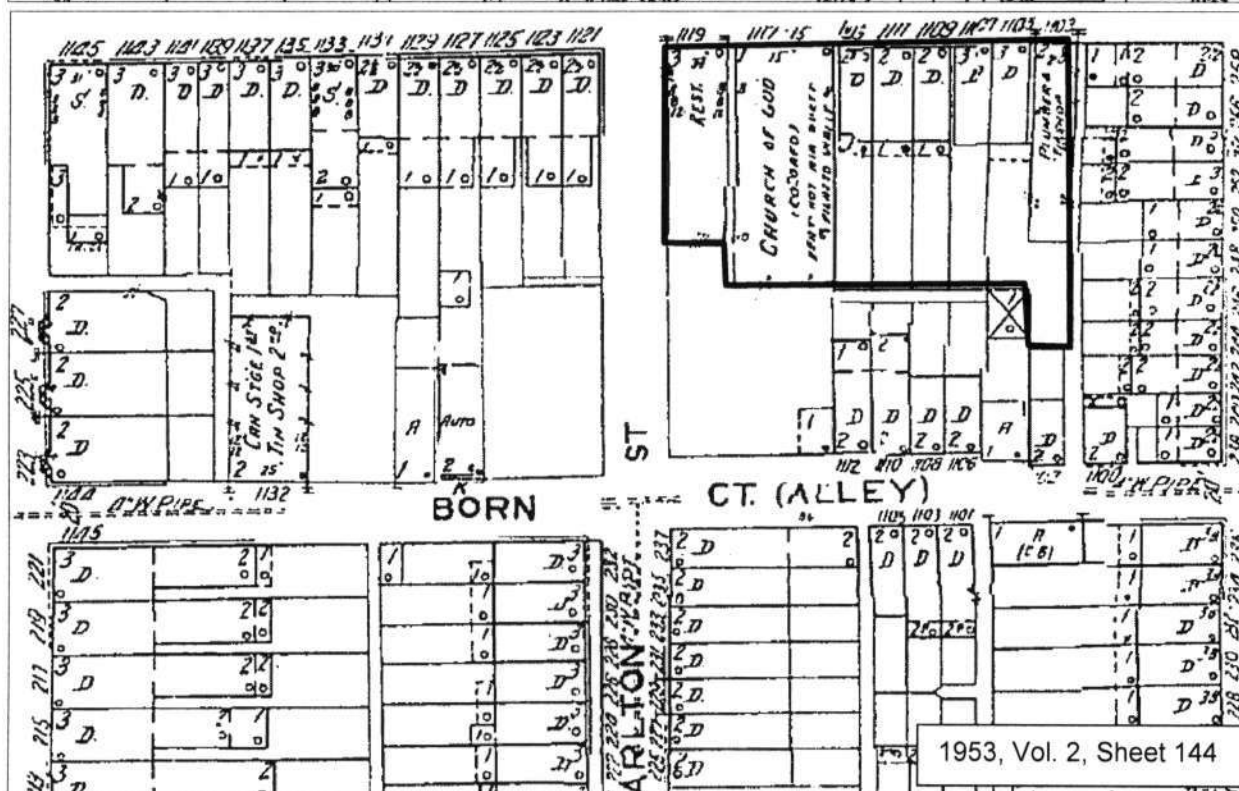

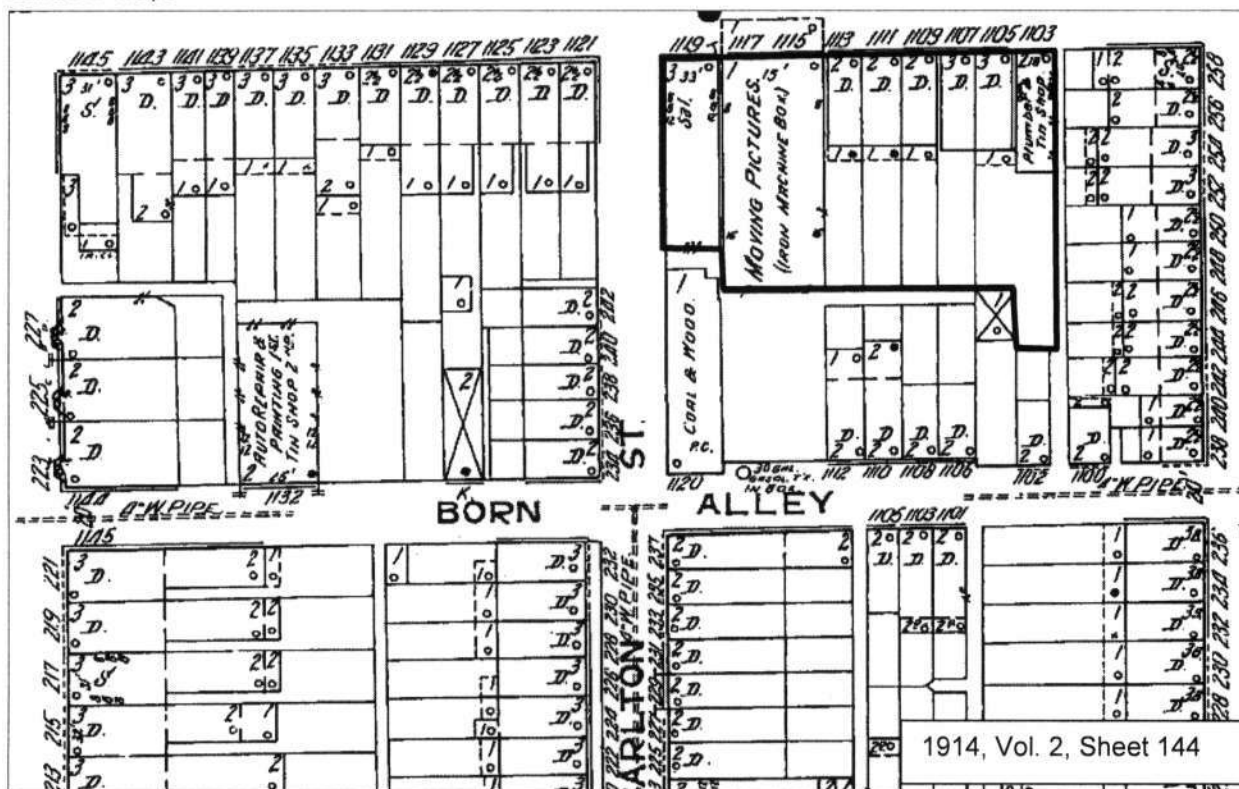

Environmental context:

Terrible! Vacant 1103-1113; full of trash, garbage, etc.; number 1103 is open. Needs rehabilitation and street trees. Small houses across-street are old and relate well in scale to these.
